■ Fort Street Studio has opened a new showroom in Hong Kong that's twice the size of its former premises on Quarry Bay. The new 465sq m space on One Island South, by architectural firm SLINC, has a relaxed, gallery-like feel to it, perfect for displaying rugs. Showcased for the first time will be the new range of wool and silk hand-knotted rugs and silk flat-woven carpets. Fort Street Studio, Suite 901-906, 9/F, One Island South, 2 Heung Yip Rd, Wong Chuk Hang, Hong Kong (00 852 2889 5150; fortstreetstudio.com).
